

MAKING AN ANNOUNCEMENT

1. When carrying the microphone on the shoulder, press the (1) press-to-talk power on-off switch on the left side of the microphone.
2. Position the speaker opening mouth towards the object, and speak through the microphone mouthpiece. Bring the microphone mouthpiece close to your lips and speak normally.
3. Turn the sound volume control, on the right hand side of the microphone and adjust the sound level to optimum without causing howling.
