Folding Instructions (Two People Required)

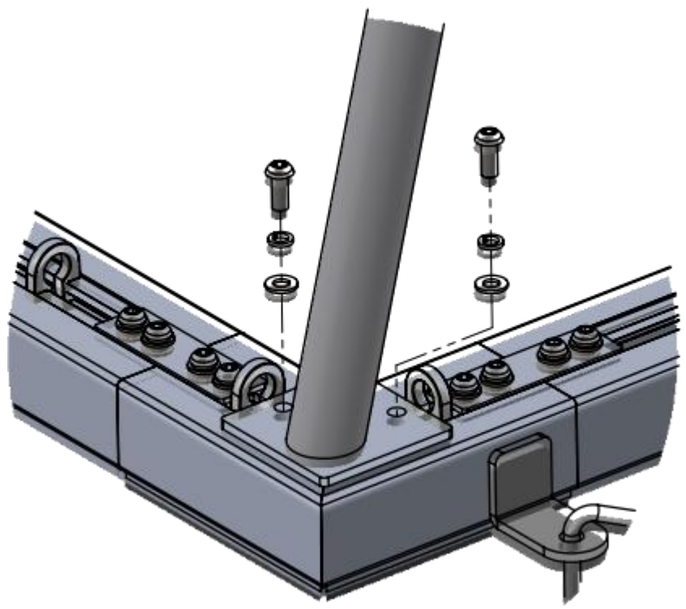

Step 4: Rotate both sides inward.

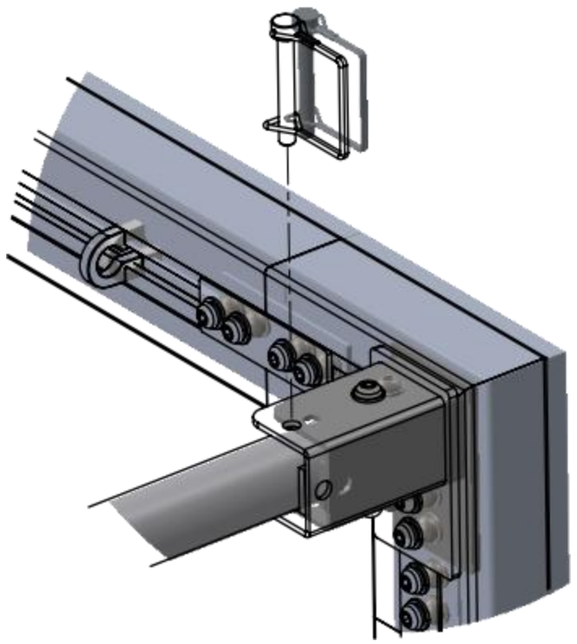

Step 5: Fold upward.

After Step 4, lay the goal forward flat, then perform Step 5.
Below is the fully folded state.

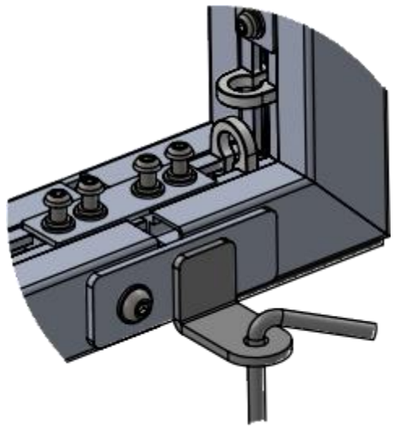

Step 1:Remove screws.
Same on both sides.

Step 2: Remove the D-pin.
Same on both sides.

Step 3:
① Loosen the 4 bolts on the connecting plate
② Move the connecting plate backward until it disengages from the rotating joint, lightly tighten the bolts; same on both sides.
